

RETAILER PLEDGE DETAILS

Retailers with a valid business license may back at the **The Horticulturist** level.

The **€160** is a special bundle price that gets you **5 Petrichor: Cows Expansions** and **5 Collector's Edition Upgrade Kit**. Alternatively, you can customise your order and use the €160 as a deposit that will go towards your custom order.

All orders of the Cows Expansion and Collector's Edition will come with any free promo tiles as listed on the kickstarter page and unlocked as stretch goals.
